

## 2026 Georgia Circuit Application

The Georgia Circuit is a new statewide public humanities initiative from Georgia Humanities. Modeled after a traditional speakers bureau—but broader in spirit and more dynamic in form—the Georgia Circuit brings storytellers, scholars, artists, musicians, culture bearers, and community leaders to towns and cities across Georgia to share their knowledge, spark conversation, and inspire civic imagination.

Programs may take the form of talks, workshops, performances, story circles, dialogues, or other interactive and creative formats. Presenters will join a statewide roster and be invited by local hosts such as libraries, museums, arts councils, historical societies, and civic groups to deliver free public programs in 2026. The theme for 2026 is ***By the People: Georgia Stories of Belonging and Becoming***. [Learn more](#) and apply below!
